From
The Principal
St. Anthony's High School.Kompally

Dear Esteemed Parents,

Subject: Heartfelt Gratitude and Success of Academic Year 2023-24

As we come to the culmination of yet another academic year, we, the faculty and staff of St. Anthony's High School, extend our deepest gratitude to each and every one of you for your unwavering support and dynamic involvement in nurturing the success of our institution and, more importantly, the growth and development of our students.

The academic year 2023-24 has been a testament to our collective efforts towards fostering a holistic learning environment. We are delighted to share with you the various activities and achievements that have enriched the educational journey of our students:

1. Academic Excellence: Our commitment to academic excellence has been evident through the implementation of rigorous examination systems, starting from pre - primary to high school. We are thrilled to announce that all X class students for the academic year 2023-24 worked hard for the board exams with support of our hard working and dedicative teachers.

2. Cultural Enrichment: Throughout the year, we organized numerous cultural programs, traditional events, and celebrations of festivals from various religions. These initiatives were aimed at promoting cultural diversity, fostering respect, and enhancing the social and emotional development of our parents and students.

3. Sports and Physical Fitness: In line with our belief in the importance of physical fitness, we organized a range of sports and games activities, including karate and other fitness programs. These initiatives not only promote a healthy lifestyle but also instil discipline and teamwork among our students.

4. Field Trips: Our students had the opportunity to expand their horizons beyond textbooks through engaging field trips. Visits to agricultural fields, historical sites like Warangal, temples, markets, and other places of interest provided them with practical knowledge and a deeper understanding of the world around them.

5. Social Service Initiatives: Upholding the values of democracy and social responsibility, we conducted mock elections and empowered elected representatives to lead various social service activities within our school and local communities. Additionally, 193 students were selected to write letters to the heads of different countries, fostering international relations and cultural understanding.

6. Diverse Activities: We organized a plethora of activities such as investiture ceremonies, Independence Day celebrations, Teachers' Day, Bathukamma festival, Children's Day, Christmas, Pongal, Women's Day, Graduation Day. These events not only added joy and vibrancy to the academic calendar but also contributed to the holistic development of our students.

Our fee structure is designed to be fair and competitive while also reflecting the value of the services we provide. We offer transparent pricing, with no hidden fees or surcharges. Our fees are based on the scope and complexity of the work required, as well as the expertise and experience of our team members. We strive to provide high-quality services at a reasonable cost, and we are committed to ensuring that our fees remain affordable for our parents.

Additionally, we offer flexible payment options and are always willing to work with parents to find a fee structure that meets their needs. Ultimately, our goal is to provide exceptional service that exceeds our parent's expectations, while also ensuring that our fees are fair and reasonable.

Your steadfast support and active participation in all these endeavours have been instrumental in shaping a successful academic year. We deeply appreciate your trust in us and our shared vision for providing a nurturing and enriching educational experience for our students.

As we look forward to the upcoming years, we earnestly seek your continued cooperation and collaboration. Together, we can continue to inspire excellence, cultivate creativity, and empower our students to become

responsible global citizens. As we reflect on the past and look towards the future, it's important to show appreciation for the hard work, self-motivation, discipline, and focus that has been demonstrated over the years.

A **25th Work Anniversary** message serves as a heartfelt gesture to express gratitude and acknowledge the value that our SAGE TEAM brings to the workplace.

FEES FOR AY 2024- 25 : Please be informed that a hike of 10 to 15% would be considered on fees for all classes.

TC ISSUING : Any application for TC should reach the Principal on or before **30th April 2024** .

SCHOOL FOUNDATION PROGRAMME FOR GRADE- VI – IX

We are excited to announce the introduction of specialized integration programs tailored for students aiming for prestigious institutions such as the **Indian Institutes of Technology (IIT), National Eligibility cum Entrance Test (NEET),** and **Common Law Admission Test (CLAT)** at our school starting from the academic year 2024-25.

Recognizing the unique needs and aspirations of our students, we have designed these programs to provide comprehensive support and guidance throughout their journey towards these competitive exams. Our aim is to ensure that every student receives the necessary resources, mentorship, and academic rigor to excel in these examinations.

We believe that investing in a strong foundation in **STEM** subjects is crucial for future success, and we are committed to helping students develop the skills and confidence they need to excel in their academic and professional pursuits.
