The Government of India has declared August 23rd of every year as 'National Space Day' to commemorate the success of the Chandrayaan-3 mission, which accomplished the safe and soft landing of Vikram lander at 'Shiv Shakti' point and the deployment of Pragyaan Rover on the lunar surface on 23rd August, 2023. The declaration of National Space Day has also been published in the Gazette of India.

Being the maiden National Space Day, it is proposed to organize widespread celebrations throughout the country in the month of August 2024. The objective is to engage and inspire the youth of the nation towards space technology and its applications. The proposed theme for the National Space Day 2024 is **'Touching Lives While Touching the Moon: India's Space Saga'**.
